

Fundraising with Cabot Cheese

Q. Who is allowed to participate in the Cabot fundraiser program?

A. Any non-profit or civic and charitable organizations, school programs or sporting and club events.

Q. How do I get started?

A. Go to www.cabotcheese.coop and click on Our Community, Department of Gratitude, then Fundraising.

Q. How do I order the cheese from Cabot? Is there a minimum order?

A. No, just case lots. Always remember you will be selling the cheese in units but ordering them in cases. If the case count is 12 and you sell 13 units (for example 13 Private Stock cheddars), you would need to order 2 cases of 12.

Q. What is the turnaround time?

A. If we have your order by noon on Monday, we will be able to ship it the following Monday.

Q. How do I make Payment?

A. We accept all major credit cards or we will send an invoice to your billing address when the order ships. Once you've collected your money for the orders, you'll send us a check or money order.

Q. How will I get my cheese order?

A. We'll ship the order via FedEx ground or you may pick the cheese up at our warehouse in Ferrisburgh, VT (directions will be sent via email per your request). If you provide us with an email address, an order confirmation and shipping confirmation will be emailed to you. These emails will list tracking numbers and estimated delivery time.
